Burls, pin knots, mineral streaks, sap, etc. are natural characteristics found in wood; if these characteristics fall within Gabinet&Closet Design's RR specifications, they will not be considered defects. Due to its inherent nature, wood will expand or contract depending on environmental conditions; Gabinet&Closet Design's RR does allow for some wood movement. We will not be liable for damages caused by improper handling, storage, assembling, finishing, or installation by the customer.
